

*Do you have items in your home that you no longer need? You can host a yard sale or garage sale and be part of the annual Lents Garage Sale.*

The Lents Garage Sale is a neighborhood-wide event made up of many individual garage or yard sales hosted at homes all over the neighborhood. When you sign up to host a sale, we will list your address on the Garage Sale Map.

On the day of the sale, shoppers from all over Lents and Portland can access the Garage Sale Map on their smartphone or a printed map. Shoppers can spend the day visiting multiple sales, meeting neighbors, and exploring the neighborhood. Whether you're selling or hosting, this is summer tradition to not miss!

Do you live in an apartment or condominium?

Green Lents is committed to helping apartment residents figure out how they can host a sale. Please contact us at the email or phone number below and we can work together.
